MEETINGS, WEDDINGS AND EVENTS

MEET, MINGLE AND CELEBRATE

From stylish meeting rooms and fully equipped conference centres, to skylit rooftops and eclectic restaurants - CentreVille Hotel & Experiences has redefined the meaning of meetings and events in Podgorica. Whether it be a formal corporate gathering, a gala dinner or an intimate wedding - there's no limit to the imagination - and that's what we are all about.

MEETING ROOMS

Comfort, style and practicality are words used to describe our meeting rooms. We have three, each brightened by natural daylight and seating up to eight people on plush leather chairs. A wide-screen TV, multi-socket plugs and a phone capable of conference calling offer all the connectivity you need - not to mention great WiFi. All of the rooms can be connected to provide a larger meeting room space for up to 50 people whilst a generously sized pre-function area serves as a great breakout area for that much deserved coffee break or buffet lunch.

CONFERENCE ROOMS

These multi-purpose venues can be set-up in a variety of styles and are perfect for use as a convention, press conference or even a small wedding ceremony. There are two available with one at 60m² capable of hosting

up to 40 people and the other at 105m² set to accommodate 90 guests in theatre style. Tea and coffee breaks can be taken inside the room or in the vast pre-function area just outside.

THE GRAND ROOM

Stretched across 230m², our ballroom features floor to ceiling windows providing ample natural daylight. For evening functions, an advanced lighting system sets the mood for your occasion whilst a fully integrated sound system is all

you need for a lively event. Holding up to 120 people in a gala dinner set-up or up to 200 people in theatre style - this is a great venue for wedding celebrations, gala dinners or even a large conference.

THE DINING ROOM

This elegant spot oozes casual sophistication. The walls and furniture feature neutral tones of grey which are offset by bright artworks, floral displays and wooden flooring. The tables can be dressed according to your theme and the kitchen is equipped to host a buffet or a la carte setup. It's an ideal venue to host a wedding breakfast, a special dinner party or an exclusive product launch. It can host up to 100 people.

THE ROOFTOP

Adjacent to the Presidential Suite, The Rooftop is Podgorica's most sought out venue. Ultra-glamorous, it is set against the stunning backdrop of Podgorica's mountain-scape by day, and by night transforms into a magical venue - lit by the stars. Dinner set up, cocktails or even a wedding service can be prepared here. There's no event idea that The Rooftop cannot transform into a reality which can host up to 70 people.

PRESIDENTIAL SUITE

As the name suggests, this suite is worthy of a president. We'd even go as far as royalty. Upon entering, you are immediately welcomed by plush over-sized sofas, a giant coffee table and a widescreen TV. Past this is a large dining table able

to accommodate up to 16 guests, a grand piano, more seating, a bar area and kitchenette. The real jewel in the crown of this suite is the expansive terrace that boasts some of the city's most incredible views.

THE LIVING ROOM

Since launching, The Living Room has become a leading hub for coffees, small plates and cocktails. It's interiors are home to an eclectic range of stylishly positioned furnishings and vintages lamps, complimented by local memorabilia creating a

welcoming and relaxed environment throughout the day to one of high energy in the evenings. From small meetings, to cocktail parties and celebrations The Living Room can create an event for any occasion.

THE SIGNATURE LOUNGE

Reserved for guests staying in our suites and signature rooms, The Signature Lounge is an exclusive venue located on the 5th floor of the hotel. Here you can enjoy a selection of snacks and hot, cold and alcoholic beverages amid the private surroundings of a lounge and restaurant. A terrace provides the perfect spot for you to enjoy your morning coffee against the mesmerizing backdrop of Podgorica's skyline and if you're here on business, you can take advantage of our private meeting room located adjacent to the lounge.

PARLOUR

Simple yet elegant. Contemporary yet comfortable. The parlour is a perfect venue for business lunch or dinner.

WEDDINGS

CentreVille Hotel & Experiences is the perfect place to say 'I do' in front of a crowd of your nearest and dearest. For a contemporary smaller wedding - look no further than The Grand Room or The Rooftop for a spectacular ceremony in the city. In addition to a unique service setting, the happy couple can enjoy a range of romantic experiences including a special turn down service, breakfast in bed and even a romantic moonlit meal on the terrace. Our salon is a convenient place to prepare for the big day with a range of 'wife to be' services for the bride and her bridesmaids.

THE GALLERY

The Gallery is an informal venue located at the first floor between the meetings and conference rooms. It can be used for coffee breaks, as well as for the exhibitions, fashion shows, cocktail receptions and elegant gatherings.
